The 19th

Radiology at the Seashore

UP TO 5 SUBSPECIALTY SAMs!

MARCH 12 - 16, 2018

South Seas Island Resort • Captiva Island, Florida

22.0 AMA PRA Category 1 Credit(s)TM

ESI Educational
Symposia

About The Meeting

This five-day course will provide a broad overview of selected radiology/imaging subjects of particular importance to diagnostic radiologists in clinical practice. A broad range of lecture topics, with emphasis on practical applications, will be presented. Topics will include, but are not limited to: breast imaging, chest, abdomen, musculoskeletal, ER, MRI, and CT.

Target Audience

This CME activity is primarily intended and designed to educate diagnostic imaging physicians who perform and interpret imaging procedures. It should also be useful in educating referring physicians who order imaging procedures as well as radiologic technologists.

Scientific Sponsor

Educational Symposia

Accreditation

Physicians: Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this live activity for a maximum of 22.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Technologists: This program has been submitted to the ASRT. The number of A CE credits will be available approximately 30 days prior to the meeting. Please visit UofM.edusymp.com or call 1-800-338-5901 regarding the availability of Category A CE credit.

Self-Assessment Modules (SAMs): Educational Symposia has been granted Deemed Status by the American Board of Radiology (ABR). This allows Educational Symposia to develop and implement SAMs that satisfy ABR Part II MOC requirements.

Educational Objectives

Attendees should, at the completion of this course, be able to:

- Effectively utilize diagnostic imaging modalities to evaluate chest, body, breast, and musculoskeletal disorders.
- Recognize unusual disease processes in the chest, abdomen, breast and pelvis.
- Explain how changes in workstation configuration and usage can potentially reduce repetitive stress disorders.
- Integrate appropriate imaging protocols to assess chest, body, breast and musculoskeletal disorders into clinical practice.

No special educational preparation is required for this CME activity.

Course Organization

This program is planned and organized by Educational Symposia, the leader in diagnostic imaging education since 1975.

Acknowledgement

Educational Symposia appreciates our corporate supporters and exhibitors. A list of industry supporters will be provided and acknowledged at the meeting.

Registration Information

Tuition includes all course materials, including a comprehensive electronic course syllabus, daily continental breakfasts and coffee breaks. Early registration is strongly suggested. There will be a \$100 surcharge for anyone registering after **March 1, 2018**. Minimum and maximum attendance levels have been established for this meeting. If your registration cannot be accepted, you will be issued a full tuition refund.

Cancellations must be received in writing. A \$50 processing fee will be applied to all cancellations. Refunds requested in writing prior to **February 9, 2018** will be issued for the amount of tuition paid less the \$50 processing fee. No refunds will be made on or after that date.

Private Cayo Costa Beach & Shelling Cruise

Tuesday, March 13, 2018

2:00 PM – 5:00 PM

Visit secluded Florida state park beaches that are only accessible by boat. Cruise will take you to the quiet beaches on the islands of Cayo Costa. You will have two hours of shelling, swimming, birdwatching, and exploring these undeveloped state park beaches. The half hour cruise back to Captiva is the perfect time to compare your finds with fellow course attendees while looking for dolphins surfacing in Pine Island Sound. Be sure to pack your beach bag and bring along anything you would like to eat or drink, as there are no facilities on these state park islands.

\$35 per person

Space is limited.

Cruise may be cancelled if a
minimum number of guests are not booked.

Full refunds will be issued.
