The 22nd
Radiology at the Seashore
March 14 - 18, 2022
South Seas Island Resort
Captiva Island, FL

22.25 AMA PRA Category 1 Credit(s)™
About The Meeting

This five-day course will provide a broad overview of selected radiology/imaging subjects of particular importance to diagnostic radiologists in clinical practice. A broad range of lecture topics, with emphasis on practical applications, will be presented. Topics will include, but are not limited to: breast imaging, musculoskeletal, thoracic, abdomen, MRI, CT, ultrasound, and neuroradiology.

Target Audience

This CME activity is primarily intended and designed to educate diagnostic imaging physicians who perform and interpret imaging procedures. It should also be useful in educating referring physicians who order imaging procedures as well as radiologic technologists.

Scientific Sponsor

Educational Symposia

Educational Objectives

Attendees should, at the completion of this course, be able to:

- Effectively utilize diagnostic imaging modalities to evaluate body, breast, musculoskeletal and neurological disorders.
- Provide a full range of differential diagnoses for body, breast, musculoskeletal and neurological disorders.
- Integrate appropriate imaging protocols to assess body, breast, musculoskeletal and neurological disorders into clinical practice.
- Recognize the appearance of normal anatomy and common pathology of all organ systems.
- Discuss current safety regulations and guidelines as they apply to diagnostic imaging procedures.

No special educational preparation is required for this CME activity

Accreditation

Physicians: Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this live activity for a maximum of 21.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Technologists: This program has been submitted to the ASRT. The number of A CE credits will be available approximately 30 days prior to the meeting. Please visit www.edusymp.com or call (813) 806-1000 regarding the availability of Category A CE credit.
Course Organization
This program is planned and organized by Educational Symposia, a leader in accredited continuing education since 1975.

Acknowledgement
Educational Symposia appreciates our corporate supporters and exhibitors. A list of industry supporters will be provided and acknowledged at the meeting.

Private Cayo Costa Beach & Shelling Cruise

Tuesday, March 15, 2022
2:00 PM – 5:00 PM

$35 per person
Space is limited.

Cruise may be cancelled if a minimum number of guests are not booked.
Full refunds will be issued.

Visit secluded Florida state park beaches that are only accessible by boat. Cruise will take you to the quiet beaches on the islands of Cayo Costa. You will have two hours of shelling, swimming, birdwatching, and exploring these undeveloped state park beaches. The half hour cruise back to Captiva is the perfect time to compare your finds with fellow course attendees while looking for dolphins surfacing in Pine Island Sound. Be sure to pack your beach bag and bring along anything you would like to eat or drink, as there are no facilities on these state park islands.
