About The Meeting

This five-day course will provide a broad overview of selected radiology/imaging subjects of particular importance to diagnostic radiologists in clinical practice. A broad range of lecture topics, with emphasis on practical applications, will be presented. Topics will include, but are not limited to: breast imaging, musculoskeletal, thoracic, abdomen, MRI, CT, ultrasound, and neuroradiology.

Target Audience

This CME activity is primarily intended and designed to educate diagnostic imaging physicians who perform and interpret imaging procedures. It should also be useful in educating referring physicians who order imaging procedures as well as radiologic technologists.

Scientific Sponsor

Educational Symposia

Educational Objectives

Attendees should, at the completion of this course, be able to:

- Effectively utilize diagnostic imaging modalities to evaluate body, breast, musculoskeletal, pediatric, thoracic and neurological disorders.
- Provide a full range of differential diagnoses for body, breast, musculoskeletal, pediatric, thoracic and neurological disorders.
- Integrate appropriate imaging protocols to assess body, breast, musculoskeletal, pediatric, thoracic and neurological disorders into clinical practice.
- Recognize the appearance of normal anatomy and common pathology of all organ systems.
- Discuss current safety regulations and guidelines as they apply to diagnostic imaging procedures.

*No special educational preparation
is required for this CME activity*

Accreditation

Physicians: Educational Symposia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Educational Symposia designates this live activity for a maximum of 22.5 AMA PRA Category 1 Credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Technologists: This program has been submitted to the ASRT. The number of A CE credits will be available approximately 30 days prior to the meeting. Please visit www.edusymp.com or call (813) 806-1000 regarding the availability of Category A CE credit.

Course Organization

This program is planned and organized by Educational Symposia, a leader in accredited continuing education since 1975.

Cancellations

Cancellations must be received in writing by sending an e-mail to cancel@edusymp.com. There is a \$50 processing fee applied to all cancellations. Cancellations made in writing prior to **February 24, 2025** will be issued a refund for the amount of tuition paid less the \$50 processing fee. No refunds will be made on or after **February 24, 2025**.

Registration Information

Tuition includes all course materials, an electronic color course syllabus, daily continental breakfasts and coffee breaks. Early registration is strongly suggested. There will be a \$100 surcharge for anyone registering after **February 24, 2025**. Minimum and maximum attendance levels have been established for this meeting. If your registration cannot be accepted, you will be issued a full tuition refund.
